

“ Tasarım zamanın izlerini silmekle deęil,
onları birer hikaye gibi kabul etmek ile başlar.

Design begins not by erasing the traces of
time, but by embracing them as stories. ”

Mustafa Akyol

Tasarım tarihine katkıda bulunmak için malzemenin sınırlarını zorluyoruz.
Beklenmeyenle karşılaşmanın tüm boyutlarını araştırıyor, bilinen ufukların ötesine geçerek
senin hikayeni destekliyoruz. Geçmişe değer verirken henüz var olmayanı cesurca icat ediyor,
yeniliğin ve yatak odası mobilyalarının geleceğini şekillendiriyoruz.

We push the boundaries of materials to contribute to the history of design. Exploring every
dimension of encountering the unexpected, we go beyond known horizons to support your story.
While valuing the past, we bravely invent what does not yet exist, shaping the future of
innovation and bedroom furniture.
